Re: Publically-Reported Documents from the Panamanian Law Firm Mossack
Fonseca & Co., also referred to as the "Panama Papers."

Dear Sir or Madam:

I write in regard to your organization's "Panama Papers" project and the publically-
released documents obtained from Mossack Fonseca & Co.

The U.S. Attorney's Office for the Southern District of New York (the "Office") has
opened a criminal investigation regarding matters to which the Panama Papers are relevant.

The Office would greatly appreciate the opportunity to speak as soon as possible with
any ICIJ employee or representative involved in the Panama Papers Project in order to discuss
this matter further.

Thank you for your time and consideration.

Respectfully,

PREET BHARARA
United States Attorney for the
Southern District of New York
